The ABMF Virtual Opus 42 Concert

As many of you know, the Anne Burrows Music Foundation (“ABMF”) is a charitable organization founded in 1980 to assist a gifted young pianist, Angela Cheng, with her studies at the Julliard School of Music in New York. Since then, the ABMF has provided \$1.3 million to over 100 musicians, many of whom have gone on to become world-renowned performers, composers and educators.

Given the resounding success of the past 2 virtual Opus concerts, and the opportunity it allows for our recipients to participate from around the world, the ABMF will be hosting its third virtual Opus 42 concert, which will showcase our current scholarship recipients!

This event will be hosted by three volunteer ABMF Board Directors: internationally renowned pianist and Vanier Canada Graduate Scholarship recipient, Viktoria Reiswich-Dapp; Juno Award-winning tenor, John Tessier; and former Program Director and Executive Producer of the CKUA Radio Network, Brian Dunsmore.

That said, the ABMF is excited to transition back to in-person events in 2023, starting with the return of its annual Pearl River Spring Fundraising Dinner on March 26, 2023. Stay tuned for more details!
